Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example		
SUPERB S Hatch 1.5 TSI 150PS		
P11D value		£21,910.00
Company car BiK tax based on CO₂ emission level		25%
Taxable BiK (for 2018/2019 tax year):	25% of £21,910.00	£5,477.50
Annual company car tax (2018/19)		
20% income tax	20% of £5,477.50	£1,095.50
40% income tax	40% of £5,477.50	£2,191.00
Monthly company car tax (2018/19)		
20% income tax	£1,095.50 divided by 12 months	£91.29
40% income tax	£2,191.00 divided by 12 months	£182.58

Further details:

Wi-Fi with LTE internet is activated by inserting a SIM card into the slot in the glovebox, or connecting a smartphone. Passengers can then connect to the SUPERB's Wi-Fi hotspot and browse the internet wirelessly on their individual devices.

* An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended.

† High-speed LTE internet is activated by inserting a SIM card into the slot in the glovebox. Passengers can then connect to the SUPERB's Wi-Fi hotspot and browse the internet wirelessly on their individual devices.

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Service intervals

When you order your SUPERB, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.
